This evening at our zoom call we'd love to know what food you could eat for a whole month and never get bored of? Kesia loves Terry's Chocolate Oranges! What about you?

Mary and Joseph escape to Egypt Matthew 2:13-23

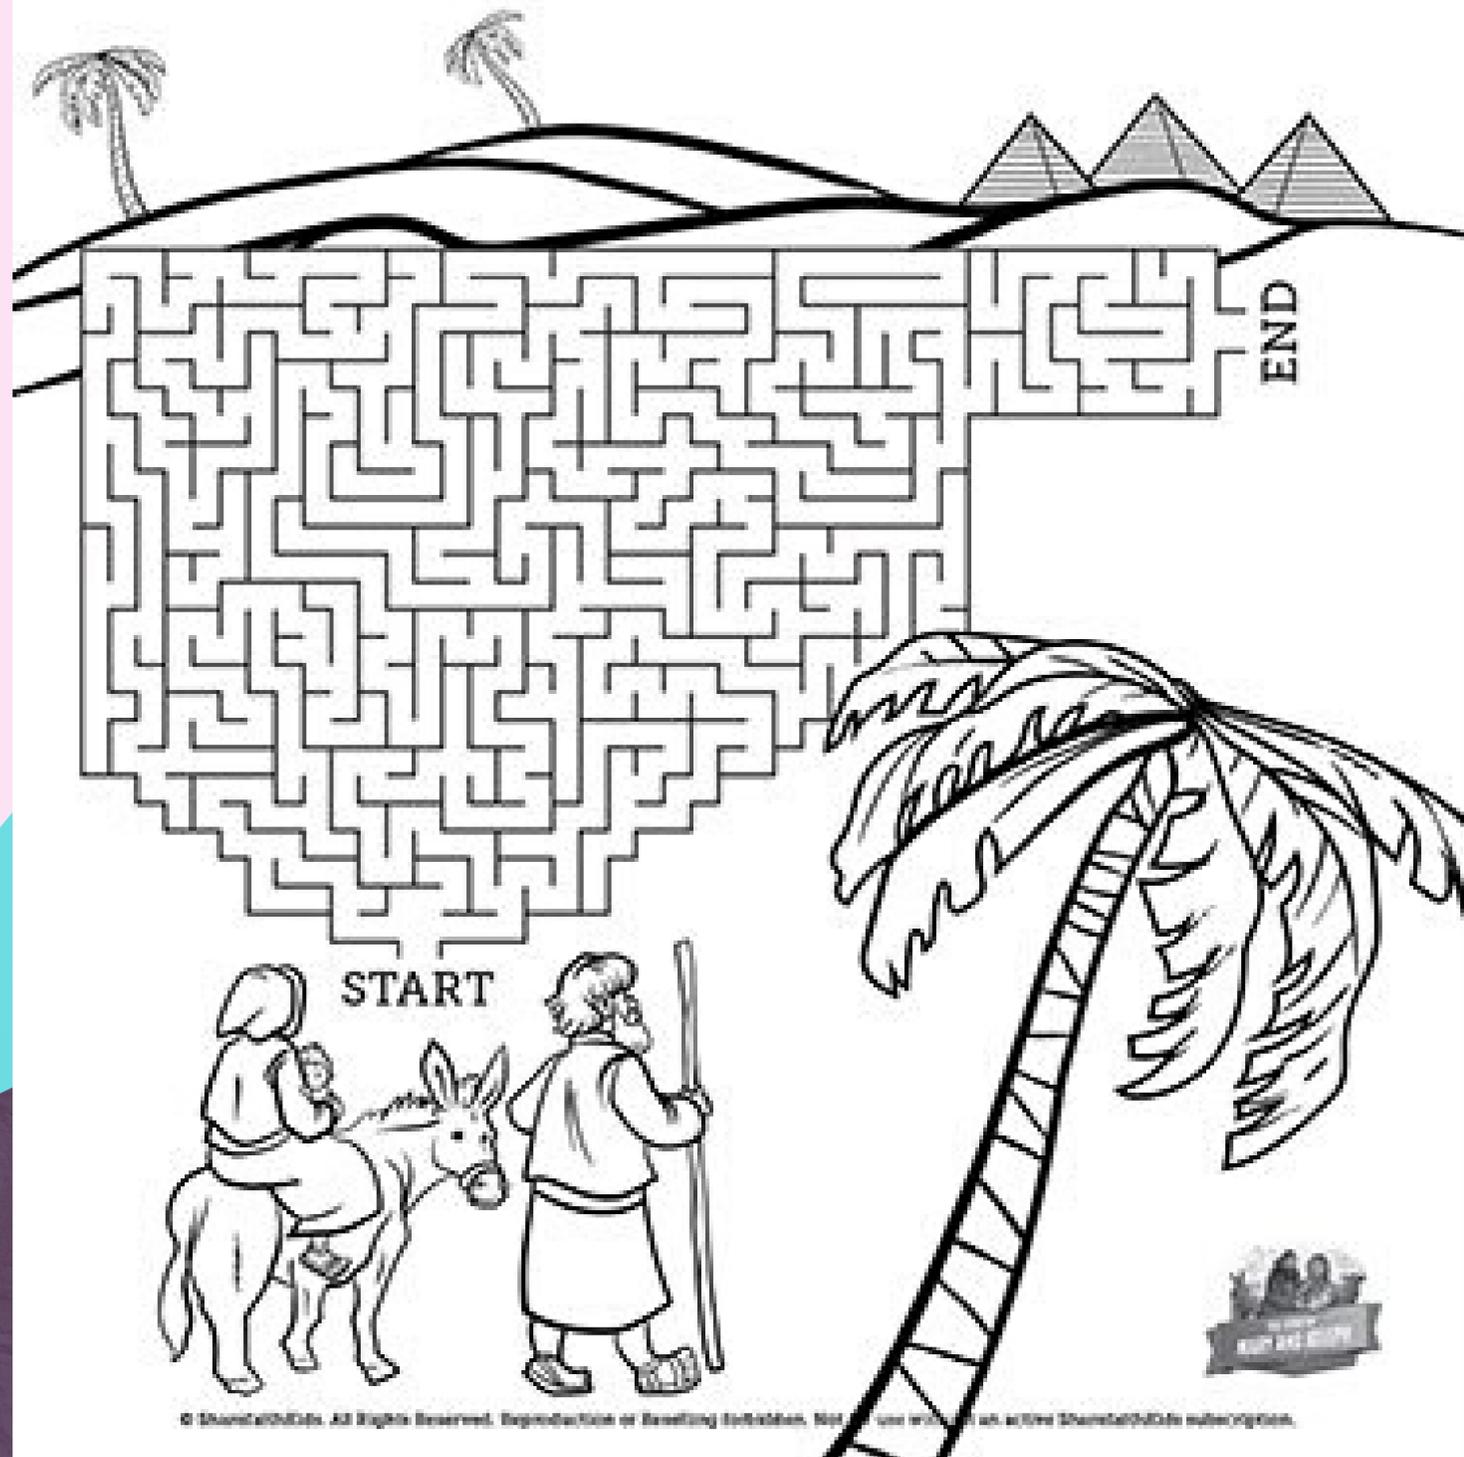

So it's the first day at Escape Room this week and it seems like David, Kesia and Claire might be in trouble! Do you think they will be able to escape? Will they be able to solve the clues? Have you ever been to an escape room or played a game where you have to solve clues to win? Do you keep going until you have solved them all? Escape games can be a lot of fun and we will certainly have a lot of fun this week but the story today wasn't much fun for Mary and Joseph. Herod was a very bad King and he was so worried that Jesus might take his throne and power away that he threatened to kill him. Mary and Joseph were good parents and they wanted to protect Jesus. God was also protecting Jesus because he sent an angel to Joseph in a dream to tell him to take Mary and Jesus and escape to Egypt. So the family left in the night and stayed in Egypt. When it was safe for the family to go back home then God sent another angel to Joseph to let him know. God was really taking care of them. It must have been quite hard for the family to move to a new country and live far away from their home but God took care of them and kept them safe. It has been a very strange year in our world with schools closed, people being asked to stay home and the threat of coronavirus. At times like this, we all need to know that God is there taking care of us. He might not send angels but he is there every day. He loves us, takes care of us and lets us know that we can tell him when we are scared or need taking care of as he is always listening.

Ice Breaker

David's favourite film is Paddington 2. No spoilers - but he always cries at the end, Claire loves How to lose a guy in 10 days and Kesia could watch Mamma Mia 2 over and over. What about you, what film could you watch again and again?
